CALL: 25X1A9a (Medical) 2613

SUBJECT: Authorized Military Personnel Strength

1. Colonel White indicated that he had given Dr. Tietjen the go-ahead to pick up additional doctors if he had the occasion even though it would run him over the ceiling.

2. He also indicated he felt the new staffing pattern approach to the Agency's personnel accounting problem would give the Medical Staff the flexibility they need in recruiting against positions carried on other elements of the Agency.
